This year’s *Front Line Cemetery Training Program* will be held **August 22, 2018** at the **Thornton Cemetery, Cremation and Funeral Centres**. This program will provide a review of best practices as it relates to front line cemetery employees. Topics that will be covered include: *Health and Safety*; *Vault Handling and Installation*; *Safe Monument Handling*; *Traditional Interment Services*; *Cremation Interment Services*; and *Arboretum Tree Care*.

The morning session will be classroom style followed by a lunch break. The afternoon session will be hands-on demonstration and training.

**PLEASE NOTE:** The setting will be in a workshop, outdoors—please dress accordingly. Food and beverages will be provided. *This program will run rain or shine.*
